

KOMETA
Children's Education Program for Serbian Culture and
Language
Boston, MA
kometa.communications@gmail.com

Dear children and parents, it is time to begin a new school year at KOMETA.

Our first meeting will be on Sunday, September 13th, at the St. Sava church facility, 41 Alewife Brook Pkwy, Cambridge, MA 02140. Virtual classes will start September 16th.

Founded in 2006, KOMETA has gathered about 50 families to date, with up to 65 students attending annually. With a high quality curriculum and a rich program presented at recitals, the children and parents have gotten to know each other, socialize, learn the Serbian alphabet, sing, perform and spread the beauty of our language and our culture.

Since May 2009, KOMETA has officially become a 501(c)(3) non-profit organization, which makes your donations tax deductible. We invite you to take advantage of this and help KOMETA with your monetary donation. Our Federal ID is 01-0898262.

This is our 15th year of running KOMETA. The members of KOMETA will do their best to have our children learn about the Serbian culture, language and traditions through play, songs, performance and fun.

The distribution of kids in the groups will be based on their enrollment information. Please contact the teachers about the appropriate group for your child at the beginning of the school year. If your child is a new KOMETA student, please contact KOMETA's Board with questions before the beginning of the school year or the teachers at the first class meeting.

The Board members will be available to address all your questions related to KOMETA's program. You can contact us at kometa.communications@gmail.com. **Your contribution and help through volunteering, questions, ideas and comments are welcome throughout the school year.**

Welcome !!!
